Welcome!

Welcome to the God Please Talk to Me MasterCLASS. The authors of God Please Talk to Me have developed this programme to help guide believers – new, mature and soon-to-be – through the stages to hearing more from God. God speaks to all of us and it is our sincere desire that you would hear His voice. You may not recognise it at first; and that's okay as you have good company throughout history with whom you will have that in common; but eventually you will and we want to help you get there.

We cannot describe adequately the changes you will see in your life once you start to hear from God. However, the impact is felt when we obey; when we act in faith.

And don't worry, we have made it simple and easy, so you will never feel overwhelmed. Allow the Holy Spirit to guide you on your journey through this MasterCLASS.

Welcome!!!
