## Welcome!

Welcome to the God Please Talk to Me Masterclass. The authors of God Please Talk to Me have developed this programme to help guide believers – new, mature and soon-to-be – through the stages to hearing more from God. God speaks to all of us and it is our sincere desire that you would hear His voice. You may not recognise it at first; and that's okay as you have good company throughout history with whom you will have that in common; but eventually you will and we want to help you get there.

We cannot describe adequately the changes you will see in your life once you start to hear from God. However, the impact is felt when we obey; when we act in faith.

And don't worry, we have made it simple and easy, so you will never feel overwhelmed. Allow the Holy Spirit to guide you on your journey through this Masterclass.

Welcome!!!

This session focuses on the challenges faced by some of us in the Western world in hearing from God. We want to help you recognise and remove any obstacles to hear from God. It is your right / heritage to hear from God.

My Objectives: What I want to gain from this session?

1. \_\_\_\_\_
2. \_\_\_\_\_
3. \_\_\_\_\_

---

---

God is \_\_\_\_\_ speaking AND We need to be \_\_\_\_\_  
about \_\_\_\_\_.

## NOTES

One Word from God can:

- \_\_\_\_\_ your life
- Bring the \_\_\_\_\_ you need
- Bring \_\_\_\_\_
- \_\_\_\_\_ and \_\_\_\_\_ your relationship with God

We hear God's voice in two [2] primary ways:

1. Logos: The \_\_\_\_\_ Word of God / \_\_\_\_\_
2. Rhema: The \_\_\_\_\_ Word of God

This is experienced as you are \_\_\_\_\_ and \_\_\_\_\_

The \_\_\_\_\_ is the foundation of our Christian life.

The \_\_\_\_\_ brings the \_\_\_\_\_ to life.

The Rhema brings with it \_\_\_\_\_.

It helps us to \_\_\_\_\_

It helps us to be \_\_\_\_\_

Fill in the scripture [John 6:63 [NKJV]

---

---

---

Personal Reflection:

Have I ever received a Rhema word? \_\_\_\_\_

Has there been a logos word that God has transformed to a Rhema word for me?

---

---

---

**Approach the Bible Properly**

We need to approach the Bible correctly. This is a proper approach to the logos word – using \_\_\_\_\_, rather than \_\_\_\_\_.

We tend to want to study the word like a \_\_\_\_\_.

---

---

---

Fill in the scripture [2 Timothy 2:15 [KJV]

---

---

---

Study: application of \_\_\_\_\_ to the \_\_\_\_\_ of knowledge.

Study: \_\_\_\_\_ in action

---

---

---

Christianity is meant to be \_\_\_\_\_ with God.

Fill in the scripture [Galatians 2:20 [NIV]

---

---

---

God has to show us the truth of His Word through the \_\_\_\_\_. God wants to  
being \_\_\_\_\_ via His \_\_\_\_\_ word. God wants us to hear from Him  
in every way possible.

Ask God to ignite your \_\_\_\_\_.

What's the Biblical Approach we should take to the Bible? \_\_\_\_\_

Fill in the scripture [2 Timothy 2:15 [NIV]

---

---

---

Fill in the scripture [Joshua 1:8 [NIV]

---

---

---

---

---

Comparison between study and mediation:

STUDY	MEDITATION
Gives _____ knowledge	Gives _____ knowledge
_____ in action	Me _____ in action
Gives " _____ "	Gives " _____ ": knowledge birthed in _____.

Biblical meditation:

---

---

---

Focus on the \_\_\_\_\_. Focus on \_\_\_\_\_.

Mediation takes place in \_\_\_\_\_...

Fill in the scripture [Psalm 19:14 [NIV]]

---

---

---

Meditation uses both hemispheres of the brain:

1. Imagination - \_\_\_\_\_ side
2. Application of study - \_\_\_\_\_ side

Meditation is \_\_\_\_\_ together with God.

### How to do Biblical Meditation

1. \_\_\_\_\_ the Lord to forgive you
2. Ask for a \_\_\_\_\_ attitude
3. \_\_\_\_\_ yourself to God
4. \_\_\_\_\_ down
5. Ask the Holy Spirit for \_\_\_\_\_ (see pictures or hear his still small voice)
6. Ask the Lord to \_\_\_\_\_ on a specific area
7. \_\_\_\_\_ the Lord for His revelation
